1. TROUBLE TICKET appoc2-00000960

A. CYCLES: None.

B. PROGRAM AIMS-R

C. PROBLEM ATRRS doesn't recognize New Phase/Version/Edition. Has to be typed in. Students that are downloaded from ATRRS had to be a NO SHOW from the old phase, edition and version and then inprocessed into the new phase, version and edition. Will not let you add a class unless these is already at least one in a file.

D. RESOLUTION: Allow the phase, edition and version to be incremented when needed.
